Judy Baker helps authors sell more books. She is a Certified Action Plan Marketing Coach and an engagement marketing expert who is qualified to assist you in turning your intentions into actions. She combines skills in theatre arts, human resources and marketing communications to create authentic branding that illuminates and educates. Her unique style of visual, verbal and written communications get you the attention you deserve.

What Judy's Clients Say

“Judy is ‘Completely Creative.’ She listens well to understand the needs and then lets her creativity take over to provide fresh insights and new ways to promote your organization. She is a pure delight to work with.”

Harry Chapman
Bay Area Consulting Group

“Judy is a wonderful marketing coach. Her ability to customize her coaching at every step of the process is wonderful. She is tuned into her client's individual needs. She really helped me to understand that making some basic, fundamental changes could have a wide spread positive effect. I highly recommend her services.”

Ronnie Roche,
Design Solutions
